**Subject: Invitation letter for the application for a Student Visa/Germany**

Title:	Passport Number: EL1324134
Family Name(s): Guo	Date of Issue: 04.09.2023
First Name(s): Jingxiang	Valid until: 03.09.2033
Date of Birth: 30.04.2003	Issuing Authority: National Immigration Administration, P.R. China
Place of Birth: Hunan, China	
Address of Participant: 106B Depot Road #06-571, Singapore 102106	

We hereby invite Mr. Jingxiang Guo to joining our HCI Lab at Saarland University as an intern from 07.05. until 31.08.2026.

The research activity will take place on the campus of Saarland University, Saarbrücken, Germany. Mr. Guo's research project in the field of Human Computer Interaction will focus on augmenting human perception through proprioceptive motion feedback. Mr. Guo's tasks will include the implementation of novel motion control strategies for an arm-based exoskeleton, improvements in the mechanical design and support in conducting and analyzing user studies.

The necessary equipment and office space will be provided by the host institution.

The host institution will pay for accommodation and transfer.

Prof. Dr. Jürgen Steimle
